MARCH/APRIL 2009

At Home: Designer Barry Dixon gives an 18th-century Virginia farmhouse a respectful makeover, adding 21st-century amenities while preserving its historical integrity. **Totier Creek Farm**

The challenge: Restoring a Virginia farmhouse to its 18th-century glory while creating an interior architectural that the homeowners' total large dogs are well-served by.

This is one of the most fun to work on! The homeowners' total large dogs are well-served by.
