Is the fabric backed? Yes No

If "No" and we determine that backing is required, may we back if for you and add the cost to your balance due? Yes No

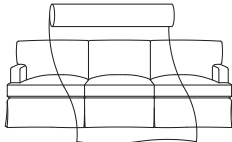

- Fabric backing (inc. Shipping & Handling) \$20/yd (\$180 minimum)
- Please add 5-7 business days for knit backing on standard orders.

Fabric backing is necessary for most chenille to prevent shifting and rolling and any fabric that is loosely woven, sheer, has a lot of stretch or unravels easily. If a fabric is not backed but OHH determines it is necessary, we can have the fabric backed upon approval for a cost of \$20 / yard net which includes shipping and handling. The minimum charge for backing is \$180. A sample of the fabric can be sent to OHH for review to determine if backing is necessary.
